THE RETURN OF JEAN GREY PARTS 2-5

PHOENIX RESURRECTION

A light in the darkness is not always welcome.

Kitty Pryde, Old Man Logan and Cyclops are leading teams of X-Men all across the globe, chasing events connected to the Phoenix. But with teammates disappearing and familiar enemies returning, the X-Men are fighting a losing battle. Beast doesn't know how or what shape it will take, but he knows they are running out of time before the Phoenix makes its true presence known.

Meanwhile, a young woman named Jean is starting to go insane in her peaceful, suburban life. Nightmares and daydreams are spilling over into the world and revealing cracks in her reality. Jean's life and everything in it may just be a facade, but made by who? And why?

Jean needs to escape. The X-Men need to stop the cycle of death the Phoenix brings. Their worlds will violently collide as Jean searches for an opening and the X-Men fight for closure. But when they are brought together, will the X-Men be reunited with their long-lost teammate – or something darker?

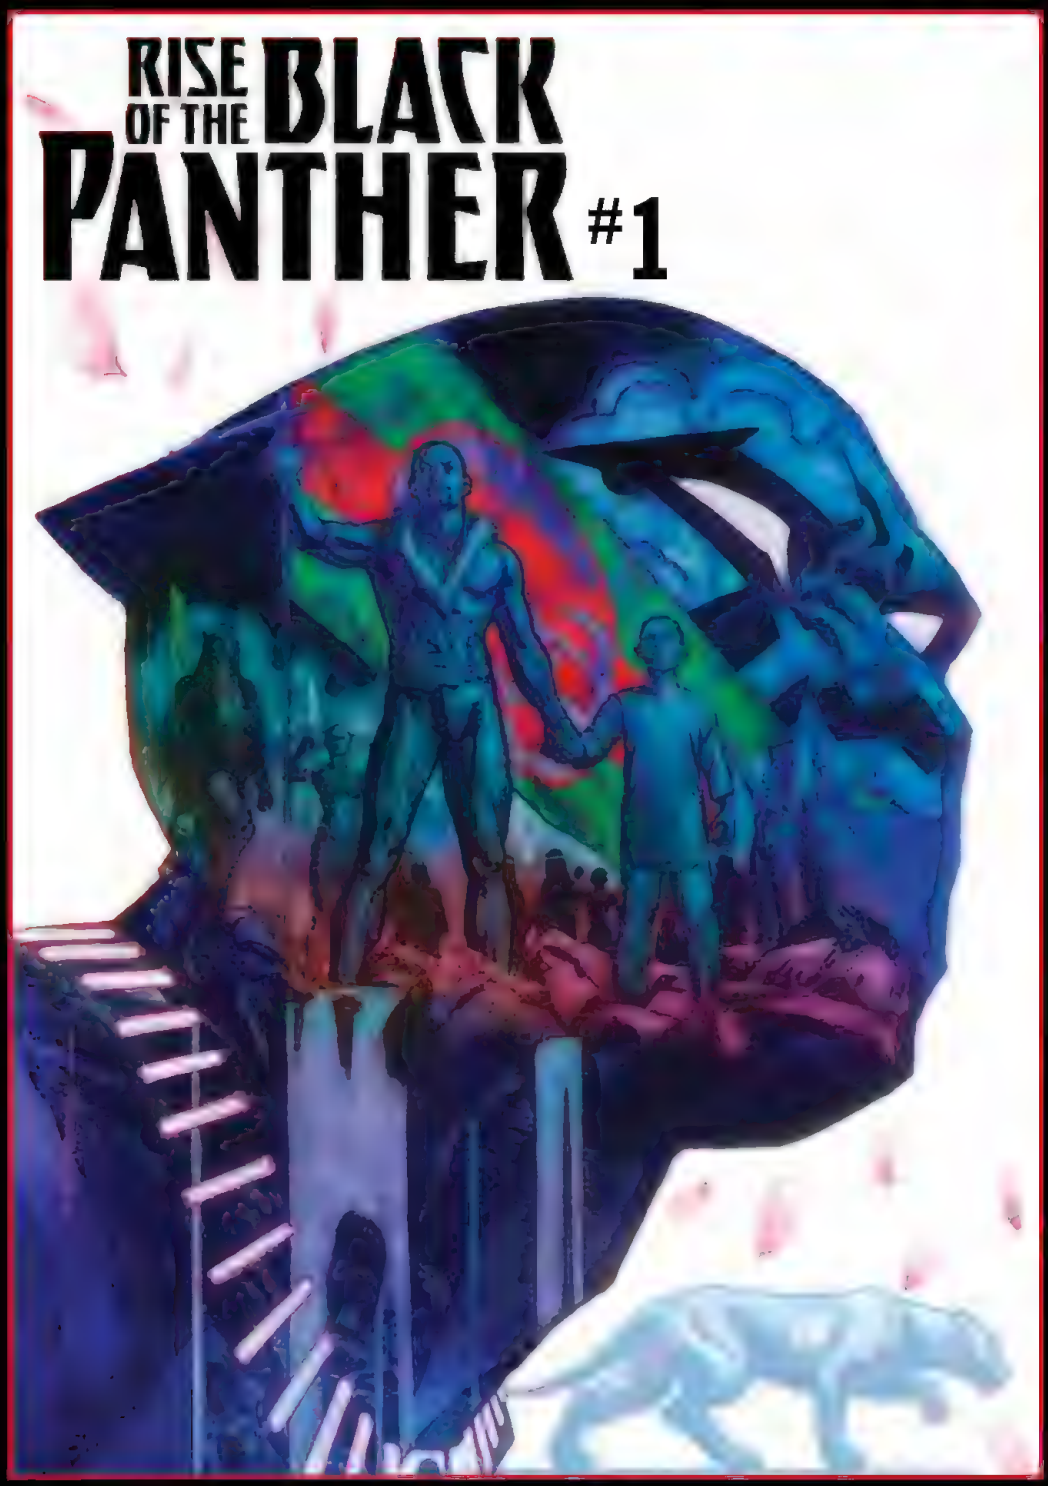
SECRET ORIGIN OF THE BLACK PANTHER PART 1



Just in time for the highly anticipated film, witness the early years of the man who will come to rule one of the most scientifically advanced countries in the world! Wakanda has always kept itself isolated from Western society, but that's all about to change. Young T'Challa knows he is destined to become king, but when his father is brutally murdered by outsiders, he'll find himself taking up a mantle he may not be ready for. Experience never-before-seen drama from the reign of T'Chaka, the king whose death changes a nation's history forever. Learn about the mother T'Challa never knew. See how the world learns about this wondrous nation for the first time. Will the power of the Black Panther be enough to keep his country safe?
